## CHRISTMAS TREE AS GIFT

Present to College Girls Will Be Center of Yuletide Programs.

A thirty-foot Christmas tree was presented to the students of Stephens College as a gift of Miss Jessie Burrall. It was bought from J. H. Harris who gives the Elks their community Christmas tree each year.

Vesper services will be held around the tree tonight, and girls from Main Dormitory will lead the songs and readings. Each night, following tonight, until December 16, the girls will assemble around the tree and give their program. The tree is standing in front of Main Hall on the campus.

Sunday morning at Miss Burrall's Sunday School Class, a living Christmas tree will be formed by Stephens girls. They will wear green and white dresses, making the scene appear as a snow-covered evergreen.

Next Wednesday the girls will give an indoor party to the kiddies of Columbia. A yule log party will conclude the program of the Christmas tree Thursday evening.

## CHRISTIAN COLLEGE

### GIRLS ARE GETTING

### THE CHRISTMAS SPIRIT

The stir and bustle of Christmas preparations and the fragrant odors of the kitchen fill the air near the home economics department of Christian College. Candyland seems to have been transferred to this college, for each day quantities of green and pink and yellow mints, chocolate creams topped with walnuts, fluffy divinity, rich fudge and nut brittle emerge from pots and pans. Much of the candy is going into Christmas boxes. Each girl is giving a part of her store for a sale whose proceeds will go to the Y. W. C. A. of the college.

Soon the making of Christmas fruit cakes will begin. One hundred and fifty pounds of fine round cakes will be made by the girls. They usually take the cakes home with them, said Mrs. Abner Jones, head of the home economics department of Christian College.

M. U. Faculty Women Organize. The women of the University faculty and of the library force held an organization dinner at 6 o'clock last evening at the Daniel Boone Tavern.

## M. U. GIRLS TO SELL STAMPS

Miss M. McIntosh in Charge of Sale of Christmas Seals to Students.

The sale of Christmas seals among the students in the University has been put under the direction of Miss Mildred McIntosh and will begin next Monday. Miss McIntosh will have several University girls working with her, who will take charge of tables in Jesse Hall at which the stamps will be on sale. The sale of seals at these tables will be conducted every day next week, and probably the first two days of the following week, when examinations will be in progress.

Twenty dollars worth of stamps have been put on sale at the University High School, and the campaign there will be continued until the school closes for the Christmas holidays.

Although the campaign for the sale of the Christmas seals began this year as a part of School and Health Week declared by Governor Arthur M. Hyde, it will continue until Christmas, as the committee hopes to sell many stamps just before Christmas. This is the fourteenth annual sale of such seals, the funds from which have always been used for the prevention and cure of tuberculosis in the state.

This year, however, more of the money which is obtained from the campaign goes to the Charity Organization Society for the local fight against the disease, under the direction of Miss Willie T. Bryant, visiting nurse. On account of Miss Bryant's work being so well known here, the committee in charge of the sale expects a greater response to the campaign than ever before.
